

University of Leeds student admissions 2012/13 – 2013/14 by protected characteristic

The following comparative student data provides information by protected characteristics on the university's admissions processes by:

- the number of students who applied for an undergraduate / postgraduate course,
- the number of students who were offered a place,
- the number of students who accepted a place to study at Leeds.

Please note:

- all information is for the academic periods 2012/13 and 2013/14
- the '% of total' figure is calculated from the total of known age (i.e. unknown data has been excluded)
- Home/EU and overseas data has been presented separately
